

Maryland State Health Improvement Process (SHIP)

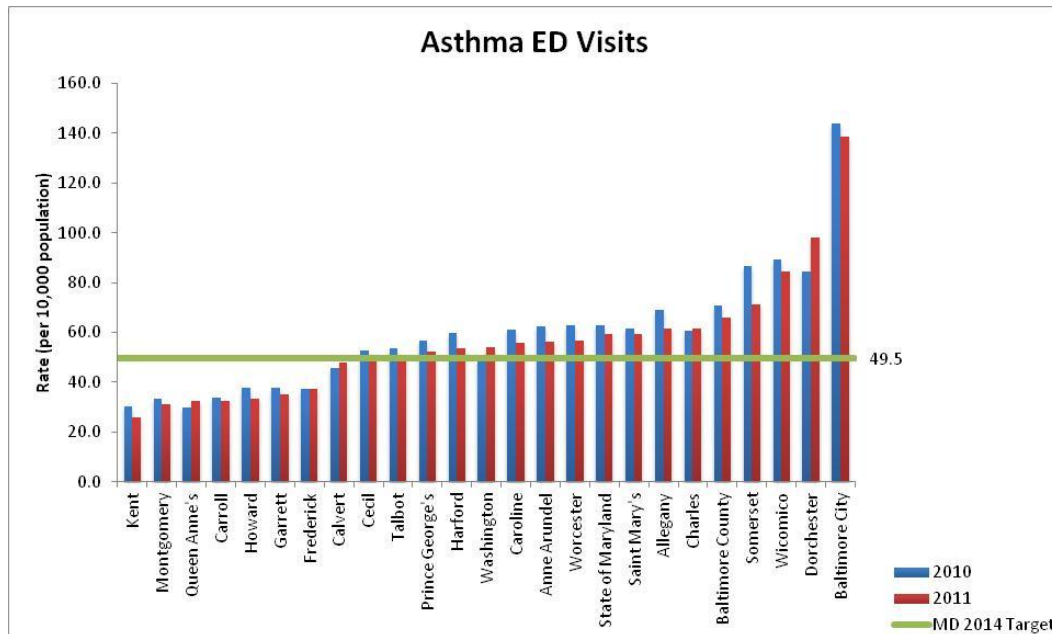

Objective 17: Reduce hospital emergency department visits due to asthma

Update Summary: On track or meeting the Maryland 2014 Target

Local-Level Data

Measure: Rate of emergency department visits due to asthma (per 10,000 population)

Data Source: Maryland Health Services Cost Review Commission (HSCRC)

Note: Data are coded by patient's county of residence. Only visits made by Maryland residents to Maryland hospitals were used for the analysis; emergency department visits made to hospitals outside of Maryland were not included.

County	2010	2011
State of Maryland	62.8	59.1
